REBATE FOR LIFTING SERVICES PROVIDED BY PRIVATE COMPANY

Please use **BLOCK LETTERS**, except for signatures.

In accordance with the financial statement issued by the Government of Barbados - 2008. Owners of registered fishing vessels are eligible to apply for and receive 25% rebate on the cost of lifting vessels from and into the water by private crane services once the criteria as laid out below have been met. Boat owners are to ensure that their vessel also satisfy the requirements of the Fisheries Act [CAP 391] Section 18, 22 and 31 as they relate to the registration and inspection of a local fishing vessel engaged in commercial fishing activity.

Rebate for lifting of Local Fishing Vessels may only be received by the owner/ agent of a registered fishing vessel unless otherwise authorized by the owner in writing. The vessel must have been actively involved in commercial fishing operations.

The condition as outlined by the Ministry of Finance for receipt of a rebate for the above mentioned service are as follows:

- 1. The vessel is returned to the water within four (4) months (112 days) after lifting.*
- 2. Vessels being launched (initial launching) or vessels that were on land for more that four (4) months (112 days) do not qualify for this rebate.*
